當代表演製作 碩士 2009/2010

在Brunel的學習很自由，老師們也會試圖啟發學生的思考與創作。在學期間，我接觸到更多元的表演藝術形式，完全滿足我想對於當代表演不同思考的渴望。不論是老師課堂上的介紹，或是每週不同課座講師的講座（包括課外的研討會），Brunel的劇場所老師們，很用心的讓學生更加了解任何創作的可能性。其中，最讓我想念的，是復活節假前夕，全班到Glasgow參加為期一星期的“當代表演藝術節”。那一週所觀賞到的所以演出，完全讓我開啟更寬的視野。此外，Brunel對於外國學生的友善，更是讓我印象深刻。

MA in Contemporary Performance Making 2009/2010

Studying in Brunel University is very satisfying. The teachers inspire students to think and create. When I studied in Brunel University, I had learned more various types of live performance. It totally satisfied my desire of learning contemporary performance. Either the introduction from tutors or various subjects of seminar every week, the tutors of drama department try to let students to explore any possibility of creating. What I miss mostly is the amazing trip with my classmates to National Review of Live Art in Glasgow. During the awesome week, all of the performance I saw totally blew me away! My vision and knowledge of performance is expanded so much. In addition, the learning environment of Brunel University is really friendly to foreign students, which really impresses me a lot.
